

# VOICES FOR CHANGE SACRAMENTO

## YOUTH ACTIVATION & LISTENING SESSION

April 30th, 2026  
3:00 PM – 8:00 PM

**Sacramento State University**  
6000 J Street, Sacramento, CA 95819

Voices for Change: Sacramento Youth Activation & Listening Session is a youth-centered event that brings together young people from across the Sacramento region to share their experiences, ideas, and solutions for building stronger and supportive communities. This event is intentionally designed to uplift youth who have historically been left out of conversations that shape policy and legislative change, especially historically marginalized youth who have had limited access to government decision-making spaces.

In this interactive session, youth will have an opportunity to connect with peers, state and community leaders, educators, and Youth Empowerment Commission (YEC) representatives to discuss some of the most pressing topics effecting youth--such as education, mental health, housing, and well-being-- to learn how their voices can help shape real change in their schools, neighborhoods, and across California.
